

## Franz Praxenthaler Appointed to the Management Board as Chief Financial Officer

Franz Praxenthaler has been appointed as Chief Financial Officer (CFO) to the Management Board of Rosenberger Hochfrequenztechnik GmbH & Co. KG, as of April 1<sup>st</sup>, 2022.

Franz Praxenthaler began his professional career with an apprenticeship as a precision mechanic at Rosenberger. He was given management responsibilities at an early stage, initially as head of production and later, after continuous professional development, as head of controlling and finance.

In 2010, he became commercial managing director of Hörl Kunststofftechnik GmbH & Co KG, which is part of the Rosenberger group. With proven success in all functions ever taken over and with the profound knowledge of the family values and the company tradition, he will be responsible for the areas of finance and controlling at board level as CFO and will significantly shape the further development of the corporate group in the management together with Eric Küppers (Chief Executive Officer (CEO) since 1.5.2021).

### About Rosenberger

Rosenberger is one of the world's leading manufacturers of impedance-controlled and optical interconnect solutions in high-frequency, high-voltage and fibre-optic technology.

The product range covers RF coaxial connectors, components and accessories, RF measurement products as well as cable assemblies for mobile communication networks, data centres, industrial test & measurement, automotive electronics as well as for high-voltage contact systems, medical and industrial electronics as well as aerospace engineering. The custom machining division manufactures customer-specific precision parts from all machinable materials for various industries such as the automotive and commercial vehicle industry, ship building or classic mechanical and plant engineering.

Worldwide, the Rosenberger Group operates manufacturing and assembly locations as well as Rosenberger sales offices in Europe, Asia and North and South America where – in total – approx. 14,800 employees develop, produce and sell our products. In 2021, the Rosenberger Group achieved global sales of 1.503 billion €. Rosenberger Hochfrequenztechnik GmbH & Co. KG with its headquarters in Fridolfing/Germany, where more than 2,900 people are employed today, was founded in 1958 and has been family-owned ever since.
